

LIGHTNING AND THUNDER SHOW POWER OF GOD

Taking as his topic, "Thunder and Lightning, in the Bible and Out," and basing his address on the electrical storm of last Tuesday night, Rev. L. L. Looftow, pastor of the Methodist church, last night told his congregation that, both in and out of the Bible, the lightning shows the power of the Creator.

The pastor read and explained the 29th psalm which described a thunderstorm coming out of the Mediterranean sea, striking Mount Lebanon and making the giant cedars of that great mountain tremble. This psalm, the pastor said, is one of the most vivid descriptions to be found in the Bible of a storm such as Honolulu experienced last week. Christ used lightning to show the uncertainty of life, and the Bible uses it as an illustration of the punishment of sin, explained the pastor. The destruction of Sodom by the great electrical storm could never be forgotten by the Hebrews, he added.

A group headed by the Deutsche Bank of Berlin has concluded an agreement with the Hungarian minister to establish a Hungarian Petroleum company on a 50-year concession.

Stars Back After Stay of Four Years In Australia

A rare treat is in store for Honolulu theatergoers tonight when the curtain rings up on the grand opening of the Allen Doone season at the Bijou theater. Four years have passed since this famous Irish actor and his charming leading woman, Edna Keeley, played to packed houses here while en route to Australia.

At the head of his own company of more than 20 actors, Allen Doone, supported by Edna Keeley, has been playing in Australia, New Zealand and Tasmania for the last four years, with hardly a break in his long engagement.

Through an arrangement made with the Raymond Teal Company and the Consolidated Amusement Company, Mr. Doone will present tonight his famous one-act playlet "A Romance in Ireland." Special and elaborate scenery has been brought here from Australia for this sketch, and the act will be staged with every attention to detail.

Doone's wit, drollery and singing is of an exceptionally refined and high order, while the acting of Miss Edna Keeley is of a dainty and exceptionally high class.

Nor is this the only treat in store for theatergoers at the Bijou tonight, for Dorothy Harris, "Queen of Ragtime," who has been touring Australia for the last year, has been specially engaged by the Consolidated Amusement Company to put on several specialties tonight.

In addition to these big features, the Raymond Teal Company will produce for the first time in Honolulu a rollicking musical farce-comedy entitled "The Tourist." This is a one-act play replete with the latest song hits and brimming with ludicrous situations and clean-cut rapid-fire comedy.

The program will be run off in the following manner: Latest moving picture releases, 7:30 until 8:15 o'clock; Dorothy Harris, 8:15 until 8:30; Allen Doone, 8:30 until 9; Raymond Teal Musical Comedy Company, 9 until 10:15 o'clock.

HONOLULU ASTONISHED BY SIMPLE MIXTURE

Honolulu people are astonished at the INSTANT action of simple buckthorn bark, glycerine, etc., as mixed in Adler's-ka. ONE SPOONFUL removes such surprising foul matter it relieves almost ANY CASE constipation, sour stomach or gas. Because Adler's-ka acts on BOTH lower and upper bowel, a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The Hollister Drug Company.—Adv.

Allen Doone in "A Romance in Ireland."

SOCCER FOOTBALL BEGINS IN GOOD STYLE AT POST

[Special Star-Bulletin Correspondence]
SCHOFIELD BARRACKS, H. T., Feb. 6.—Soccer football made its bow to Schofield sportdom today and was well received by the large crowd of curious who turned out to see whether soccer was an athletic event or something one plays with cards. With baseball, track events and rugby football going on practically all the year the few soccer fans have had great difficulty in awakening interest in that particular brand of athletics, but soccer stock boomed like Bethlehem Steel today and it is safe to say that soccer "has arrived" at Schofield Barracks. The few enthusiasts of the game have been working quietly along and despite a lack of general interest and three and a half hours drill per day, have developed a team that today decisively and overwhelmingly defeated the crack team known as the Honolulu Stars by a score of 9 to 0. For the 1st Infantry, Steeger was a bright and shining star, with Elzer a constellation of almost equal magnitude. Both these men played the game like veterans and to their prowess is due much of the 1st Infantry's success. The most notable players on the town team were Kula, Cockett and Fredericks. It was a fine game, replete with sensational plays, and the next soccer game is anxiously awaited by the Schofield supporters of athletics.

The lineup:
1st Infantry. Honolulu Stars.
Steeger Kula
Center Forward
Welsh Cockett
Inside Right
Elzer Kula
Inside Left
Good Fredericks
Outside Right
Kilroy S. Mehuela
Outside Left
Burke Potter
Center Half
Bennett Morse
Right Half
Sizemore Aliva
Left Half
Ballantyne Kukana
Right Fullback
Vahey Ben
Left Fullback
Casey G. G. Bennett
Goal
Goals—Steeger, 5; Elzer, 4.

REMAINS OF JOSEPH E. ROGERS CREMATED

Funeral services for Joseph E. Rogers were held at 10 o'clock this morning from Silva's undertaking establishment, the remains having been cremated. Mr. Rogers, who was 69 years old and a resident of Hawaii since 1897, died at the Queen's hospital yesterday afternoon following a lengthy illness. By profession he was a painter of smokestacks and mills, and the inventor and producer of Eureka paint, a product patented under the laws of the republic many years ago. He is survived by a daughter and two sons, who are all on the mainland, with the exception of L. H. Rogers, who resides on Gulick avenue.

Officials of the Illinois Traction system at Bloomington, Ill., granted an increase in wages of about 10 per cent to all employees.

WAR ROMANCE LEARNED HERE

Beryl Hunter-Jones Wedded to Officer

A war romance of striking interest, in which one of the principals is well known in Honolulu, has been learned of by the friends here of Miss Beryl Hunter-Jones, who, for two years resided in this city.

On January 9 of this year Miss Hunter-Jones was married at Folkestone, England, to Capt. Lawrence V. M. Cosgrave of the 5th Canadian Howitzer Brigade, now at the west front in France. The proposal of marriage was written in a trench on the torn battle-front, and it was in a trench also that the stalwart Canadian received the answer "Yes" to his ardent plea.

News of the marriage came to the bride's mother, Mrs. M. M. Hunter-Jones, in Toronto by cable. The romance, according to the news learned by friends of the family here, began in Toronto a year ago, the day before Capt. Cosgrave's regiment sailed for Europe. Really, however, the love-story had its beginning a good many years before, when "Larry" Cosgrave and the girl were school friends together. Eight years ago Mrs. Hunter-Jones and her daughters, Beryl and Crichton, went traveling, coming to Hawaii and remaining some time in Honolulu. Mrs. Hunter-Jones was the leader of the "Home of Truth" here.

Miss Beryl returned to Toronto in August, 1914, and on the evening of her return Capt. Cosgrave was a guest at her mother's home. That was the signal for reviving love, according to the Toronto Daily Star. After he had reached France Capt. Cosgrave corresponded with the girl and from a dugout on the battlefield of Festubert wrote the letter of proposal. After receiving a favorable answer he went to England shortly after Christmas and Miss Hunter-Jones reached Liverpool on the morning of January 8.

A cablegram from England to the Toronto Star says that the marriage was unique in many particulars. Escorted by the brigade officers, the bridegroom rode to the church on a gun-carriage, handcuffed to Lieut. Kilgour, his best man. During the ceremony the six black horses attached to the gun carriage were replaced

by greys and the couple, after leaving church under an arch of swords, rode away on the gun carriage. The bride was given away by the brigade commander, Gen. Morrison.

Capt. Cosgrave has returned to the front, and Mrs. Cosgrave is living in London with the wife of Gen. Morrison.

SUPER TO GIVE FAREWELL TALK AT NOON FRIDAY

Paul Super will give his farewell address and report of the present status of the Y. M. C. A. to the directors, trustees and committeemen of the association on Friday noon at Cooke hall. A luncheon will be given at that time, and the retiring secretary will then give the recommendations for future work at the Y. M. C. A.

The meeting will be an important one, as Mr. Super has been in the service of the local association for a period of 10 years, and in that time the association has grown from a small organization to one of the strongest in the United States. During the luncheon a number of questions will be asked regarding certain phases of the work in the association, and Mr. Super will outline the plans for the work under the international committee.

Charles F. Loomis, secretary of the boys' department of the Y. M. C. A., has announced that another one of the popular bean suppers will be given this evening in Cooke hall. At the meeting tonight final arrangements will be made for the big Lincoln Day celebration which will be given by the boys' department on Saturday evening.

It is remarkable with what unanimity men of prominence and success say that they got their start by having money.

And every one of these men has advised young persons to go and do likewise.

Some of the foremost men in every walk of life have gone on record as to the great benefits of systematic thrift—Washington, Lincoln, Gladstone, Bismarck, Roosevelt, Woodrow Wilson, Andrew Carnegie, John D. Rockefeller and scores of others have preached and practised industry and thrift. Can you do better than to profit by the experience and wisdom of these great men?
